Review Questions for TEEB for Local Policy

Please respond to the following questions, referring to line numbers in the manuscript. Please provide any additional comments for further improving the manuscript at the end of this template. If you prefer to (additionally) comment directly in the manuscript, you are welcome to do so – but we encourage you to use this template.

Thank you very much for your support to make this a useful report!

Please return this template to teeb@ufz.de within three weeks after having received the chapter for review.

1. Is the text self-explanatory, free of jargon and easy to follow for practitioners?
2. Are the claims backed by robust argumentation?
3. Are important aspects missing?
4. Are appropriate and up-to-date sources used?
5. Is there an undue emphasis/bias? If so, how might it be overcome?
6. Do you know of any additional sources, examples, tools which we should take up?
7. Are the cases chosen interesting and substantiating the arguments made?
Yes, the cases are very interesting, have wide coverage and address the topics/themes very well.
8. Are key messages appropriate and helpful? Which improvements do you suggest?
